(SWEDEN - ENGLISH)

Last Modified: September 27, 2024

These Terms of Sale (Consumer) (these “Terms”) apply to the purchase by you and sale of products by **Sandisk UK Limited** (together with its affiliates referred to as “**Company**”, “**us**”, “**we**”, or “**our**” as the context may require) including products (hardware goods and software) that are manufactured or developed either by Company directly or by entities other than Company (“**Devices**”) and services offered either, directly by Company or provided by entities other than Company (“**Services**”) through any of the websites offered by Company (collectively, the “**Site**”) or any other means through which we engage in the sale of Devices and Services, including orders by phone.

These Terms are subject to change by Company without prior written notice at any time, in our sole discretion. The latest version of these Terms will be posted on this Site, and you should review these Terms before purchasing any Device or Services that are available through this Site.

Company is willing to sell devices and services to you through this site only if you accept these Terms. By clicking on the “SUBMIT ORDER” button, you agree to be bound by all of these Terms.

Please read these Terms carefully before submitting an order. These Terms are legally binding and contain important information regarding your rights (including your right to cancel) and obligations.

1. Who we are.

We are **Sandisk UK Limited**, a corporation incorporated in England & Wales. Our registration number is 15513865 and our registered address is at 280 Bishopsgate, London, United Kingdom EC2M 4RB. Our registered VAT number is GB 467 0540 88.

2. Terms and Conditions; Scope and Restrictions.

- a. These Terms are an integral part of the [Terms of Use](#) that apply generally to the use of our Site. You should also carefully review our [Privacy Statement](#) before placing an order for Devices or Services through this Site. The Privacy Statement applies to personal data collected in connection with the purchase of Devices and Services on the Site. However, our Privacy Statement does not form part of these Terms.
- b. You may not order or obtain Devices or Services from the Site if you: (i) do not agree to these Terms; (ii) are not the older of: (A) at least 18 years of age; or (B) the legal age in your country of residence to form a binding contract with Company; or (iii) are prohibited from accessing or using this Site or any of this Site’s contents, goods or services by applicable law.

- c. These Terms are designed for sales to customers in Sweden (the “**Territory**”). If you are not located in the Territory and Company’s Devices and Services are available for purchase in your country of residence through one of Company’s other Sites, you can purchase those Devices and Services through such other Sites. If you choose nevertheless to purchase through this Site, and you are not a resident of a country in the Territory, the sale will be governed by these Terms and the laws of your own country may not apply.
- d. If you are a consumer, nothing in these Terms will or is intended to derogate from or reduce your statutory rights including your rights relating to faulty or misdescribed Devices or Services. We are under a statutory duty to supply Devices and Services conforming to the terms of our contract with you. For further information regarding your statutory rights, you may contact your local Trading Standards Department or Citizens’ Advice Bureau or the equivalent institution in your country of residence.

3. Ordering, Acceptance and Availability.

- a. You need an email address to place an order. You agree that your order is a legally binding offer to buy, under these Terms, all Devices and Services listed in your order. You acknowledge and agree that if you are placing an order through the Site, by clicking or activating the button or hyperlink to submit your order, you are placing a legally binding offer. All orders must be accepted by us or we will not be obligated to sell the Devices or Services to you. We may choose not to accept any orders in our sole discretion and will inform you in writing (including email) or by giving you a notice on-screen, if we do so. After having received your order, we will send you a confirmation email with your order number and details of the items you have ordered. An order confirmation email received by you shall constitute an acknowledgement of our receipt of your offer only, and not an acceptance of your offer to purchase items.
- b. The Devices and Services available for sale on the Site and the descriptions and prices thereof constitute an invitation to make offers to purchase such Devices and Services through this Site. Such invitation to offer is extended by us to consumers who purchase Devices and Services for personal use as well as to sole traders, business customers and organisations purchasing such Devices and Services for their own use but not to persons or businesses who are purchasing such goods and services in the course of trade with a view to reselling, distributing, stocking or otherwise trading in them. Company does not appoint you or anyone acting on your behalf as a reseller, distributor or other agent or representative of Company in relation to the Devices or Services you order. If Company believes you are involved in purchase of Devices or Services in the course of trade with a view to trading in such goods, software or services, Company reserves the right to restrict sales to you, to cancel your orders, and/or to suspend or close your account, in addition to taking legal action.
- c. Please review your order carefully before you place it. You have a limited period of time to cancel your order before it is shipped. If you cancel your order after shipment you may incur delivery charges. For additional information about cancelling your order and ending the contract, please see Section 7 below. You can also call Customer Support at 00800-27549338 or [submit an e-mail](#).
- d. While we make every effort to ensure that items appearing on the Site are available, we cannot guarantee that all items are in stock or immediately available when you submit your order. Furthermore, Devices and Services may vary depending on your region or hardware components. In addition, there may be limits on where we can ship Devices or provide Services. We may reject your order if we are unable to process it, fulfil it or

provide it and we will inform you of this in writing (including by email) or we may notify you on-screen that the order is rejected upon your submission of the order. If we reject an order for any reason, we will refund any payment that you have made for that item. We may place a limit on the quantities that may be purchased per order, per account, per credit card, per person, or per household. If Devices or Services that you ordered are unavailable, we may contact you to offer you an alternative Device or Service. If you do not choose to purchase the alternative Device or Service, we will treat your order as cancelled and refund any payment that you have made for the cancelled order.

- e. Our acceptance of your order and the formation of the contract of sale between Company and you only occur at such time that we have both (i) in respect of hardware goods, dispatched your Device order and/or provided you with access to the Services or, in respect of software, provided you with a copy of the software or a link for downloading the software, and (ii) received payment of the purchase price of your order through settlement of funds via your provided credit card or other payment method (“**acceptance**”). We may cancel your order at any time for any lawful reason prior to acceptance.
- f. By submitting your order, you represent and warrant that: (i) you are a consumer, sole trader, business or organisation who is not purchasing the Device or Service in the course of trade with a view to reselling, distributing, stocking or otherwise trading in such Device or Service, (ii) all information supplied by you in placing your order is accurate and complete, (iii) you are not impersonating another person, and (iv) you are not utilising any program or routine to accelerate purchases or to make multiple purchases through different accounts to conceal your identity. Without limiting any other right or remedy we may have under these Terms or applicable law, we may cancel, terminate, modify, or suspend all or any part of any order or orders (including orders that we have accepted) if Company has reason to believe that such order or orders may have been placed in breach of these Terms or the Terms of Use.
- g. We make efforts to avoid and to fix any technical failures that limit your ability to complete a purchase on the Site. However, such technical failures can sometimes occur, and we do not represent or warrant that your access to or use of the Site will be uninterrupted or error free.
- h. Pictures and images of Devices shown on the Site are for illustrative purposes only and minor variances may occur in colour and look in the Devices that you order or that we may deliver to you. This does not derogate from our legal obligations to supply goods that match their description. Device specifications are subject to change from time to time at Company’s discretion, without notice. Any changes in specification will only apply to orders placed after such changes take effect. Upon acceptance of your order we are legally required to deliver Devices that match the specifications shown on the Site at the time that the order was placed.

4. Prices and Payment Terms.

- a. All prices posted on this Site are subject to change without notice. The price charged for a Device or Service will be the price in effect at the time the order is placed and will be the price indicated on the order pages on the Site when you place your order. Price changes (including any special offers or ‘sales’) will only apply to orders placed after such changes take effect. Posted prices do not include all taxes or charges for shipping and handling. All such taxes and charges not included in the price displayed on the Site will be added to your total and will be itemised in your shopping cart and displayed before you place the order and will be itemised in your order confirmation email.

- b. Terms of payment are within our sole discretion and payment must be received by us before our acceptance of an order. We will charge your credit or debit card on dispatch of the Device or upon purchase of Services, or within 14 days of order submission (if earlier), unless stated otherwise. We reserve the right to verify and/or authorise credit or debit card payments prior to dispatch of the Devices or Services. To assist with payment processing on this Site, we use Worldpay. Worldpay is a Data Controller in respect of your personal information. Worldpay's privacy policy can be found at www.worldpay.com.
- c. You represent and warrant that (i) the credit card information you supply to us is true, correct, and complete, (ii) you are duly authorised to use such credit card for the purchase, (iii) charges incurred by you will be honoured by your credit card company, (iv) you will pay charges incurred by you at the posted prices, including all applicable taxes, if any, and (v) you authorise Company to charge you for any Devices or Services purchased using your payment method.
- d. If you elect to use the services of a third-party payment or billing provider in connection with your purchase from us, your use of such services will be subject to the third-party provider's own terms and conditions. You may be required to create an account with such third-party provider and/or provide that third-party provider with your bank account or credit/debit card details. We are not responsible for any liability resulting from the acts or omissions of any third-party payment or billing provider.
- e. We make every effort to ensure that the prices, quotations, anticipated delivery dates, and descriptions made or referred to on Site are accurate, free of typographical errors, complete, reliable, current, and error-free. However, errors do sometimes occur, and we make no warranty that the information on the Site is error free. We reserve the right to reject or cancel any orders that include such errors. Promotional prices may be offered for select Devices or Services and are subject to additional terms related to such promotions. The prices, quotations and descriptions displayed on the Site are subject to availability, do not constitute an offer and may be withdrawn or revised at any time prior to our express acceptance of your order.

items and the time of day you place your order. A signature may be required for delivery.
